

# Appraisal Clinic B

Challenging the doctor to write a robust PDP and Provide an effective MSF appraisal

---

**3** external CPD points

## Introduction

This modular workshop is designed for doctors who are experienced appraisers and wish to further develop their skills.

## Course structure

- Date: 14th June 2018  
Timings: 13.30 - 16.30  
Venue: Carnival UK, Carnival House, Southampton

## What do I gain?

- The time and space in which to work with other doctors in understanding and exploring many of the issues around this complex subject
- The opportunity to develop and practise key skills with the support of colleagues and useful input from an experienced facilitator
- A valuable contribution towards your ongoing learning as the course delivers three external CPD points

## Workshop objectives

- Understand the requirements to write PDP's that reflect the doctor's aspirations and are SMART
- Provide practical guidance on writing PDP's
- Understand the importance of multi-source feedback in the appraisal and revalidation process
- Be aware of issues of 'skew' in multi-source feedback data and know how to deal with these
- Practise leading an MSF discussion using practical guidelines
