

Giving and Receiving Feedback – Live Webinar

3 external CPD points

Introduction

This webinar is aimed at supervisors and/or managers who wish to improve a trainee's/team member's performance. This may be based on conduct or competence issues. The delegates will apply and practise giving feedback to trainees/team members by applying a simple feedback tool.

Course structure

- 2.5 hour webinar

Webinar objectives

- Discuss the importance of providing feedback as part of establishing and maintaining an environment for learning
- Apply a simple model for providing feedback
- Practise providing feedback to help the trainee gain insight
- Discuss the challenging trainee who find it difficult to accept feedback and apply techniques to improve performance (4,5,6)
- Address the standards for your own professional development as a medical educator (7)
