

How Teams Work Together – Live Webinar

3 external CPD points

Introduction

A successful healthcare service is dependent on teams working successfully together – something we quite often take for granted. However, effective teams need to be established with clearly defined roles, goals, processes, systems and relationships. When the environment is pressurised, teamwork can suffer or indeed succeed. This webinar provides team members and leaders with an understanding of effective teamwork including the reinforcement of conducive values and behaviours throughout challenging times.

Course structure

- **2.5 hour webinar**

Webinar objectives

- Understand the importance of teamwork and the safety of patients
- Understand what makes a successful team
- Understand what different team roles exist and the impact of these on others
- Recognise and promote positive team behaviours
