

Oliver McGowan Approved Provider

INTRODUCTION

Oliver McGowan's legacy is driving a national commitment to improve care, a legal requirement under the Health and Care Act 2022.

By choosing Miad Healthcare to deliver OMMT, you're ensuring your staff gain not just knowledge, but the confidence and empathy to make a real difference. It equips staff across health and social care with the skills, confidence, and understanding to provide safer, more inclusive, person-centred care.

miadhealthcare
**An Approved
Trainer for
The Oliver McGowan
Mandatory Training**

TIER 1: VIRTUAL OPEN COURSE

- For staff who require general awareness (non-patient-facing roles)
- Live online, 1-hour interactive session led by qualified facilitators
- CPD-accredited, with a certificate of completion
- Ideal for administrative, IT, HR, estates, and management staff

TIER 2: 1-DAY FACE-TO-FACE COURSE

- For staff providing direct support to people with a learning disability or autistic people
- Delivered by a qualified facilitator and two Experts by Experience
- Focused on communication, reasonable adjustments, and person-centred support

BENEFITS TO YOUR ORGANISATION

- Full legal compliance with OMMT requirements
- Evidence of training for CQC inspections
- A confident, skilled, and compassionate workforce
- Stronger safeguarding and improved outcomes for service users
- A workplace culture of inclusion and respect
