

Appraiser Refresher Training– Live Webinar

5 external CPD points

Introduction

This webinar is aimed at allowing experienced appraisers to revisit the appraisal and revalidation process, and understand the latest guidance from the GMC, NHS England and AoMRC (MAG 2022) and the challenges appraisers may face conducting appraisals. In addition, the course will introduce the GMC new Good Medical Practice domains (2024). The content of this webinar will also include a focus on doctors' health and wellbeing.

This webinar acts as a forum whereby attendees can interact with their peers and thus allows for the spreading of best practice. It is important that confidentiality is maintained throughout the programme, to enable appraisers to refer to and reflect on their experiences.

Course Structure

- **70 minutes optional of e-learning module**
- **3 hour live webinar**

Course Objectives

- Understand the importance of high-quality appraisals and the significance of quality assurance checks
- Review the GMC guidance - Understanding the experiences of and attitudes towards medical appraisal 2020 – *'Most appraisers and appraisees believe a focus on wellbeing is appropriate beyond the pandemic'*
- Review the GMC Good Medical Practice domains 2024
- Understand a good structure for reflective comments and practise using this
- Practise how to support the appraisee to reflect on their own health and wellbeing
- Review PDPs and how appraisers can support doctors to write good quality PDPs
- Understand the importance of the appraisal summary and agreeing the output statements
- Ensure PDPs and summaries reflect an accurate record of the appraisal discussion
