

Appraisal for Revalidation of Physician Associates (PAs) and Anaesthetic Associates (AAs)

This programme is available as either a face to face workshop or live webinar, and is fully CPD accredited.

Introduction

This new 3 hour webinar is aimed at Physician Associates and Anaesthetic Associates. The programme focuses on formalising documentation by reviewing the requirements of the GMC – PA Shared Learning Outcomes and the practice aims and objectives. Delegates will understand the requirements of annual appraisal as specified by the GMC including supporting information, reflection, and the ability to write SMART objectives aligned with Good Medical Practice 2024.

Course structure

- 3 hour webinar

Course objectives

- Review the requirements and guidance from GMC (PA's) – Learning outcomes: https://www.gmc-uk.org/-/media/documents/pa-and-aa-generic-and-shared-learning-outcomes_pdf-87633490.pdf
- Discuss supporting information requirements aligned to Good Medical Practice 2024, as part of the appraisal documentation including reflection.
- Understand the importance of systems and writing/recording personal development plans linked to learning outcomes, GMC and organisational requirements.
- Review the process of reflection to create objectives that are meaningful
- Discuss the process of revalidation including the role of the recommender (to be confirmed in 2024)
